2

3 Lucille Raines Residence, located at 947 North Pennsylvania Street, Indianapolis, IN, is
4 owned and operated by Indiana Area United Methodist Women. Services are available
5 to persons from throughout the state.
6

7 The purpose of Lucille Raines Residence is to provide a place and a way of life that will
8 enable the residents to achieve an independent state of life. Resident include, but are
9 not limited to, recovering men and women substance abusers, dually-diagnosed
10 individuals, parolees and the limited physically handicapped. Services are provided to
11 persons regardless of race, creed or gender.
12

13 Residency requirements:

- 14 • Treatment in a chemical dependency program
- 15 • Referral by a counselor or other qualified person
- 16 • Employment – 40 hours a week, unless on disability and able to do volunteer
17 work
- 18 • Commitment to live clean and sober, work with a sponsor and attend support
19 groups
20

21 The basis of the self-help program is a daily inventory of defects in character and the
22 sharing of these defects with another person. It is also suggested that a part of each
23 day be set aside for meditation and prayer – the end result being that one learns to turn
24 his/her life over to God day-by-day. The support that grows out of the sharing forms the
25 community which is the backbone of the program and becomes the strength which
26 enables recovery to occur.
27

28 Rent received from residents accounts for approximately half the cost of this ministry.
29 Giving by United Methodist Women is extremely generous – currently, \$6.00 per
30 member per year. The balance comes from Conference Advance Specials and
31 donations.
32

33 We strive to make time lived at Raines a period of growth and development, so that as
34 residents move on, they are equipped for the new life which comes from living in
35 recovery – turning around a life undone by their own doing.
