28 a source of funds for unexpected exposures or opportunities arising between sessions.
29 This fund is an accumulation of net profits or losses from prior years.
- 30 E. RESERVE FUND.
31 The Reserve Fund was established as a financial protection fund to absorb significant
32 and unexpected opportunities and exposures beyond the capacities of the budget and
33 the General Fund. The fund is a source of capital expenditures for staff housing and a
34 depository for capital funds from the sale of corporate assets.
35 There will be a line in the budget to support the Reserve Fund. This asking
36 continues until the Reserve Fund Balance equals \$1,000,000. Should there be a
37 surplus the amount will be transferred to the General Fund and used according to the
38 guidelines of this fund.
- 39 F. FISCAL YEAR.
40 The fiscal year shall be the calendar year.
- 41 1. Payments from churches received after January 15th each year, shall be credited to

45 Treasurer's Office by January 15th each year. Only requisitions for expenses that
46 were incurred prior to the end of the fiscal year will be recorded in that fiscal year.

48 subsequent year.
- 49 G. We urge the continuation of the support of General Advance Specials and affirm

1 paragraph 812 of the 2008 *Discipline* that reads: "The World Service Fund is basic in the
2 financial program of the United Methodist Church. World Service on apportionment
3 represents the minimum needs of the general agencies of the Church. Payment in full of
4 these apportionments by local churches and annual conferences is the first benevolent
5 responsibility of the Church."

- 6 H. The Total Proposed Budget will be presented early in the Annual Conference Session.
7 The Total Proposed Budget will be acted upon after all agencies have made their reports
8 to the Annual Conference. If there are proposed changes to the Total Proposed Budget,
9 these items shall be referred to the Council on Finance and Administration and action
10 postponed until the Total Proposed Budget is presented.

21 II. Conference Funds

22 A. TREASURER'S COMPLETE REPORT AND AUDIT.

23 The Conference Treasurer shall furnish on a form established by this Council an
24 itemized report of balances, receipts, and disbursements during the year.

25 B. SIGNIFICANT ACCOUNTING POLICIES.

26 The Indiana Conference follows the requirements of Financial Accounting Standards
27 Board (FASB) Statement of Financial Accounting Standards No. 117, *Financial*
28 *Statements of Not-For-Profit Organizations*. Under FASB Statement No. 117, the
29 Conference is required to report information regarding its financial position and activities
30 according to three classes of net assets: unrestricted net assets, temporarily restricted
31 net assets, and permanently restricted net assets.

32 The accounts of the Indiana Conference are maintained on the accrual basis in
33 accordance with the principles of fund accounting and generally accepted accounting
34 principles (GAAP). Separate accounts are maintained for each fund; however, the
35 financial statements will be prepared on a basis that shows the financial position and
36 changes in net assets of the Conference in total. Funds with similar characteristics will
37 be combined for financial statement presentation.

38 (Note of Explanation: The objective of accrual basis accounting is to ensure that
39 events that change the Annual Conference's financial statements are recorded in the
40 periods in which the events occur, rather than only in the periods in which, as a result of
41 these events, the Conference receives or pays cash. For example, using the accrual
42 basis to determine net income means recognizing revenues when earned rather than
43 when cash is received, and recognizing expenses when incurred rather than when paid.)

44 A summary of the other significant accounting policies utilized by the Annual
45 Conference is reported in the audited Financial Statements in the section titled Notes to
46 the Financial Statements.

47 C. BUDGET REQUESTS.

48 The Conference Leadership Table will submit a complete request for the agencies and

15 by FASB. Under FASB Statement No. 124, the Conference is required to report
16 information regarding its investments at fair value based upon quoted market prices,
17 when available, or estimates of fair value. Donated assets are recorded at fair value at
18 the date of donation, or if sold immediately after receipt, at the amount of sales proceeds
19 received.

20 I. CAPITAL ASSETS.

21 Capital assets of the Conference are held by the Indiana Conference of the United
22 Methodist, Inc. Board of Trustees. In the Indiana Conference financial statements the
23 value of fixed assets is stated at cost less accumulated depreciation or fair value at date

50 specific purpose. These funds shall be carried forward and shall be used to build funds

1 for a program or project over multiple years. Designated Fund accounts shall be funded
2 at a rate determined annually by the Council of Finance and Administration. CF&A shall
3 review these accounts annually to determine if sufficient funds are available to
4 underwrite the programs. Upon completion of the program or project, if there is a
5 balance in the designated fund, those monies shall revert to the General Fund. Should
