Qualifications

Clergy member, Indiana Conference, 26 years. Willingness to serve our conference.

Three Most Critical Issues

1. Evangelism and outreach in a world increasingly hostile to the gospel, new approaches to being the church in the 21st Century are needed. Embracing new ways to proclaim the good news.
2. Consider ways we can incorporate Jurisdictional conferences into General Conference session, saving \$ millions; movement toward doing conference ministries in ways that give more resources to the local church.
3. Continued conversation about the issue of dissolving guaranteed appointment. Much to consider.
