Qualifications

I have served on the Conference Communications Committee and served as chair since we became the Indiana Conference, demonstrating a willingness to commit and serve. I am excited about the opportunity to meet and fellowship with United Methodists from all over the world while focusing on the issues facing our church in the coming years. I am willing to work hard to read all necessary reports and materials and give the needed time and energy to represent our Conference.

Three Most Critical Issues

The three most critical issues facing The United Methodist Church are

1. The role of the Board of Higher Education and our need for gifted, young clergy
2. Addressing how the church can facilitate real change on behalf of the poor
3. Continued dialogue and reflection on the Global identity of The United Methodist Church
